{1} Bukhari, Raavi Hazrat Sahal Bin Saad Rd.

Khulasa- Rasulullah ﷺ ne farmaya agar koi shakhs mujhe apni zuban aur apni sharmagah ki hifazat ki jamanat de de to me uske liye jannat ki jamanat le lunga. Insaan ke badan me ye do khatarnak aur kamzor jagah he jaha se shaitan ko hamla karne me badi asaani he, jyada tar gunah inhi dono se hote he agar koi shaitan ke hamlo se unko bacha lega to jahir he ki uske theharne ki jagah jannat hi hogi.

{2} Bukhari, Raavi Hazrat Abu Huraira Rd.

Khulasa- Rasulullah ﷺ ne farmaya banda ek baat zuban se nikalta he jo Allah ko khush karne vali hoti he banda us ka khayal nahi karta (yani usko ehmiyat nahi deta) lekin Allah us baat ki vajah se uske darje buland karta he. Issi tarah adami khuda ko naraz karne vali baat zuban se laparvahi me nikalta he jo usse jahannam me gira deti he. Aap ﷺ ke is farman ka matlab ye he ki adami apni zuban ko belagam na chhode, jo kuchh bole soch kar bole, aisi baat zuban se na nikale jo jahannam me le jane vali ho.
